

Wilton Social Services Ways to Help

How can I help make a difference in Wilton?

- Volunteer in the food pantry if you are 60 and over
- Support one of the Kiwanis food drives at Stop and Shop or The Village Market
- Donate school supplies or gift cards in early August to support our Back to School drive
- Help during the holidays by donating a Thanksgiving basket in November or purchasing gifts for families in December.
- Make a financial contribution to the Wilton Community Assistance Fund, a 501c3 not-for-profit fund that provides emergency assistance to Wilton residents. If making a donation please mail a check to the Wilton Department of Social Services at 180 Scholl road Wilton, CT 06897.

Please contact the Wilton Department of Social Services at 203-834-6238 if you are interested in learning more about one of these opportunities.
